

REMARKS

Claims 1-9 and 36-47 remain pending. Claims 10-35 have been cancelled. The Examiner has acknowledged that claims 35, 36, 42, and 44 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claims 48-73 have been added.

Claim 1 has been amended to incorporate all of the features of claim 35, in accord with the Office's acknowledgement that claim 35 would be allowable if rewritten in independent form. In light of the incorporation of all features of claim 35 into claim 1, claims 1, 8, and 36-40 have been amended to recite "target *Phytophthora*" rather than "target fungus."

In accord with the Office's suggestion that claim 42 would be allowable if rewritten in independent form, new independent claim 48 has been presented, incorporating all features of claim 42 as originally presented.
